Membership

Dear Prospective Member:

New Partners for Community Revitalization (NPCR) works to revitalize neglected urban and downtown neighborhoods and has been the leading force in creating and enhancing the New York Brownfield Opportunity Areas (BOA) Program. With NPCR's help, BOA has awarded \$32.4 million in grants to over 100 communities across New York State.

Founded in 2001, NPCR engages diverse constituencies involved in revitalization projects and fosters beneficial relationships between developers, public officials, community organizations and environmental justice organizations.

Over the past decade, NPCR has hosted a wide variety of educational events for the redevelopment community, and has become known as the leading source for information about new policies and initiatives. I am very proud of all that we have accomplished so far, and I would like to invite you to support us in our next exciting phase. Become a member of NPCR today.
